## REQUEST FOR COUNCIL ACTION

MEETING DATE:

2/3/03

AGENDA SECTION:

CONSENT AGENDA

Public Works

ITEM NO.

Public Works

Prepared BY: TH 14

PREPARED BY: D. Kramer

With the closing of the 7<sup>th</sup> Street NW access to Highway 14 on January 27, 2003, additional car and truck traffic is expected on this street segment. The parking restrictions discussed below are proposed to reduce congestion and improve safety, while minimizing the parking restrictions for residences that front on 7<sup>th</sup> Street. Where parking will remain on both sides of the street, the 38' width allows vehicles to meet each other with cars parked on both sides. All residences and businesses will have on-street parking remain available on their front side.

## **COUNCIL ACTION REQUESTED:**

Add the following paragraph to Section B "No Parking Zones" of the comprehensive Traffic & Parking Resolution Book:

157.5) 7<sup>th</sup> St NW on the north side from a point 450 feet, more or less, west of Lakeridge Drive NW to the east end at Trunk Highway 14; and on both sides from 34<sup>th</sup> Avenue Court NW to West Circle Drive; at all times.
